Optional extras and Irish standard equipment may have an effect on the CO₂ and Fuel Economy figures. The CO₂ & Fuel Economy figures are the official figures obtained from tests under standardised EU test conditions. More information on vehicle testing & WLTP can be found at: <https://www.seat.ie/corporate/wltp-standard.html>. Information valid as of: 08.11.2024. Subject to change.

ROTR: Recommended on the road price is RRP including delivery charges of €850 as recommended by SEAT Ireland.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of publishing (08.11.2024). SEAT Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to SEAT Retailers at the earliest opportunity. Please consult your local SEAT retailer for the latest product information.

Your car. Always connected.

Want a seamless digital experience? The SEAT Ateca keeps you constantly connected. Behind the wheel or outside your car. Download the MY SEAT APP and use your smartphone to access vehicle data. Or open MY SEAT APP through the touchscreen to start planning your route or organise your playlist. Now you can locate parking spaces, see real-time traffic maps and get route information to improve your experience even more. Always there, always on. That's what real connectivity means.

Standard Connectivity (Included for 10 Years)

O : Optional | S: Standard | -: Not Available Note: *RRP From is based on the lowest available VRT rate for that model range, adding options to vehicles with higher VRT rates will cause options to increase in cost. The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. For your exact configuration value, both Co2 g/km and RRP, please visit the seat.ie configurator.
